

OMER is looking forward to seeing all of you at Michigan State University next year! He has mapped out the places he would like to visit when it's safe, but he still needs a PPE mask just in case. Check out the places he wants to go and design a mask that represents one of them and keeps OMER safe as he explores. Don't forget to highlight his creativity! Send your mask design to MI.Odyssey.Mask@gmail.com and we'll provide your stamp. Have fun and let your creativity soar!
